PASSENGER TRAIN HITS FREIGHT CARS

Collision on Texas & Pacific at Toyah Thursday Delays Traffic.

Texas & Pacific trains from the east have been delayed since Thursday on account of a rear end collision of the passenger train from the west with a string of freight cars at Toyah Thursday morning. The passenger train was the one which left El Paso Wednesday afternoon at 6:30 p. m. in charge of engineer Steve Johnson and conductor Otto Elliott.

When the train collided, the engineer and the fireman jumped from the cab and escaped injury, and probably death, as the engine was thrown from the track by the impact. None of the passenger cars were damaged and no one was injured. Several of the freight cars were badly damaged and were derailed. Texas & Pacific train from the east Friday, due at 11:40 a. m., was to arrive, according to reports, at 1:15 p. m.

AEROPLANE WRECKED BY FURIOUS STORM.
Norfolk, Va., Nov. 4.—The storm last night effectively ended the aviation meeting here by wrecking most of the machines on the local field. The storm overturned a can-vas hanger and buried the aeroplanes under the ruins. The flier in which Curtiss made the flight from Albany to New York was badly damaged.

AMUSEMENTS.

AT THE HAPPY HOUR.

Says manager Fogt: "There is an extra strong bill this week at the Happy Hour. Prof. Wallace with his wonderful Australian comedies is the biggest feature so far presented at the Happy Hour. White Eagle is a most wonderful and interesting bird with almost human intelligence, and should be seen by the women and

children. Matinees are given Saturday and Sunday at 3 p. m., with six acts, good moving pictures and good vaudeville. Don't fail to see the great White Eagle. Ask anyone who has attended this week."

Look For the Sign of the Ring

ALTHOUGH we have been located and doing business in our new home in the Roberts-Banner Building for some time, we have purposely delayed holding a formal opening until such a time as our stock could be properly arranged. Although many features are yet to be installed that will add to the attractiveness and convenience of the store, it gives us much pleasure to announce to our friends and the general public, that when they visit this store tomorrow night, they will see a store that would be a credit to a city many times as large as El Paso. In extending this invitation to the general public we do so with the intention of having them come here and spend a pleasurable evening. Our stock has been arranged to the best advantage for inspection, music will be provided during the entire evening with flowers as souvenirs for our guests.
